

TRANSPORTATION

We care about getting you safely to and from our Center. Your eyes may be dilated for a few hours and it is prudent if someone could drive you.

Medicare and most insurance companies do **not** cover transportation costs. If a ride is needed, you can consider the following options:

- **It is preferable if a relative or friend drives you, as there will be a limited amount of waiting time.**
- **Medicaid** or **AmeriGroup** patients may qualify for transportation services. Please call 1-866-527-9933 for additional information.
- If you cannot arrange for a ride, we can provide for **group transportation** as long as you give sufficient notice. There is an **administrative fee of \$20 per appointment** payable to our office. Room permitting, one companion may accompany you.
- **PLEASE NOTE:** There are usually other patients in a car or van that makes **multiple stops** to and from the Center. Plan to spend up to **6 hours** or more with us.
- Below are two **private transportation** companies that are familiar with our Center. You can make monetary and travel arrangements directly with them.

United Limo 1-973-390-6096
Stagecoach Limousine 1-732-536-2800

We strive to make your experience with us a pleasant and comfortable one.

I understand the transportation policy and elect to take the group transportation, which I will pay the administrative fee of \$20 (payable to Phillips Eye Center) to the receptionist upon my arrival.
